Description and how to apply

Lamb Building is a long-established common law set located in the Temple, in the heart of London, with an annexe in the centre of Brighton.

Our members offer an expertise across a wide range of complementary areas of law within large criminal and family teams.

We have a number of probationary tenancies available due to a very large volume of work and we are primarily looking for those interested in crime who wish to develop a practice in London. However if you are interested in family, or civil, then opportunities are also available for excellent candidates.

The period of probationary tenancy will be 6 months.

If you are interested then please send a copy of your C.V. with a covering letter to pupillage@lambbuilding.co.uk.

Further details regarding chambers are available on our website however junior tenants are available to discuss life as a working pupil and as a junior tenant at Lamb Building. Please ask in your covering email if you would like to be put in touch with one of them.
