Description and how to apply
<p>King's Bench Chambers invites applications from 3rd Six Pupils who are looking for a change and an opportunity. We are a pleasant and friendly set based in Bournemouth, but with a national presence. Chambers is on panel for a number of nationwide solicitors firms and requires further members to cover general civil litigation, personal injury, credit hire and family work that we service throughout England. We are particularly keen for new members based in the London and Midlands area due to the ever-increasing workload that Chambers covers in those areas. Chambers welcome applicants based all over the UK (working remotely can be facilitated).</p> <p>The new member will benefit from an efficient Clerks room, state of the art IT systems, online legal library facilities and efficient diary management.</p> <p>Any new member can be reassured as to their minimum earning expectations based upon others who have joined. Chambers can say with some confidence that based upon the earnings of previous new members, those applicants who are available for work on a full time basis, are prepared to travel, are enthusiastic about what we do and are competent</p>

can expect a gross fee income, as a minimum, of not less than £50,000 from a standing start in the first year. Maximum earnings are entirely down to you.

If you wish to apply, please send a covering letter and CV for the attention of Mr Alan Conner, Senior Clerk, to Chambers.

For an informal discussion, feel free to call Mr Chris Gair, Member of the Tenancy Committee, or Mr Alan Conner within Chambers on 01202 250025.
